CAMP CANINE, INC.
BOARDING KENNEL

) NOTICE OF VIOLATIONS
) ASSESSMENT OF CIVIL PENALTY
) FOR VIOLATIONS OF 02 NCAC
) 52J .0204(d) and (e)

Acting pursuant to N.C. Gen. Stat. § 19A-40, Dr. Patricia Norris, Director, Animal Welfare Section ("AWS"), North Carolina Department of Agriculture and Consumer Services ("NCDA&CS") makes the following:

FINDINGS OF FACT

1. At all times, pertinent to this matter Camp Canine, Inc. (License No. 10395) ("the kennel") is a boarding kennel licensed pursuant to N.C. General Statute §19A-28.
2. On February 6, 2017, AWS received a complaint concerning the kennel alleging that a dog was killed by another dog.
2. AWS opened an investigation. On February 6, 2017, as part of the investigation AWS Outreach Coordinator Joe Blomquist ("Coordinator Blomquist") and AWS Facility Program Administrator Penny Page conducted a site visit of the kennel, interviewed kennel staff and management, reviewed the kennel records and observed the exercise areas.
3. The investigation and interview revealed the following:
 - a) On February 3, 2017, a dog named Amber was killed by a dog named Dubie while in the exercise area;
 - b) The statements provided by the kennel from the staff members present at the time of the incident agree that the dogs were unsupervised in the exercise area at the time of the attack. Although multiple staff members responded quickly to the emergency call placed by a staff member when the attack was observed, they were unable to prevent the death of Amber;
 - c) The statements provided by the kennel staff members present at the time of the incident agree that there were more than 4 dogs present in the exercise area at the time of the incident;
 - d) At the time of the site visit on February 6, 2017, 18 dogs were observed to be in the exercise area with only 1 person supervising the dogs.

CONCLUSIONS

The investigation revealed that the dog, Amber, was killed by another dog while in the exercise area. At the time of the incident, there was no supervision of the more than 4 animals in this area. In addition, during the site visit on February 6, 2017, the 18 dogs in the exercise area were under the supervision of only 1 staff member.

As a result of this investigation, the North Carolina Department of Agriculture and Consumer Services, Veterinary Division, Animal Welfare Section, finds that you either by act or omission, violated the provisions the North Carolina Administrative Code 52J .0204(d) and (e).

(See Appendix for text of cited General Statutes and Administrative Code)
